

COACHING REFUNDS- Policy

The club promotes the involvement and development of all of our volunteer coaches. We acknowledge how important coaches are to the successful running of our club. In light of this the club has the following policy for remunerating coaches for their time and effort.

Each Beaumaris Basketball Club team is eligible for one 'coaching refund'. This refund will be offered at the end of every season and will take the form of either:

1. A 50% cash reimbursement of the registration fee paid for the (financial) child or sibling in the team they coach, or
2. For those coaches without a financial child or sibling in the team, a Rebel voucher to the value of 50% of one registration fee.

This is in addition to the club paying for coaches to attend a level 0 and/or level 1 accredited coaching course.

Terms of the coaching refund are as follows:

- coaches must be registered with the club (in a timely fashion) which includes having provided their WWC details and signed the Member Declaration (if U18 an adult must register on their behalf)
- for coaches who have coached part of the season the refund is on a pro rata basis
- the club may administer a split refund if there were 2 or more simultaneous coaches
- any amounts paid over and above the 'coaching refund' are at the discretion of the team and will be funded independently by the team.

Coaches will receive an email regarding the process for refunding at the end of the season from the club Treasurer.
